

Instructions for Adding a 1-800-PACK-RAT Banner to Your Website

Thank you for your interest in placing a banner on your website. You can rest assured that we will provide outstanding service to any referrals that you provide us.

1. Decide which size banner you want to use. We have three sizes 160x600, 728x90 and 300x250.
2. Link the banner image to your co-branded page on our website. We will host the images so that you don't have to put them on your web server. For more information on creating this link see below.
3. If you have any questions, please contact us at partners@1800packrat.com

Instructions for formatting the link to your 1-800-PACK-RAT co-branded Page:
