

CONVENIENCE

We value your time as much as you do, and we know schedules change. We schedule deliveries at your convenience, not ours. And we are here seven days a week in case you have questions or need to change any of your delivery or pick-up dates.

CUSTOMER SATISFACTION PLEDGE

1-800-PACK-RAT is the only national moving company with a pledge to customer satisfaction: if you are not completely satisfied from initial call to final delivery, let us know so we can make it right.

1-800-PACK-RAT containers are constructed completely of corrugated steel, making it the most weatherproof and durable unit on the market. Keeping your contents protected from the elements like rain and snow is one of our top priorities!

PEACE OF MIND

We know your stuff is important to you which is why we treat it like our own. Our best-in-the-industry handling system gently lifts and lowers your stuff without tilting, swaying or sliding; plus we won't damage your driveway or landscaping.
